

Lived One Hundred and Five Years.

NEW-BRUNSWICK, N. J., Dec. 16.—Mrs. Sarah F. Van Nostrand of East Millstone died last night of old age. She was born Sept. 8, 1788, and was a little over 105 years old. She was born in Franklin Township, where the old tavern now stands. She was married in 1810, and during her fifty-three years of married life had eight children, of whom six are living. She leaves twelve grandchildren and fourteen great-grandchildren. Until a few months before her death, she was remarkably well preserved, and had a fine complexion, which she thought was due to not wearing corsets. Her father, whose name was Van Arsdale, was born in 1760, and was a drummer boy in the Revolutionary War. Except a slight deafness, her faculties were excellent. The funeral will take place Tuesday.
